EQUINE ART, GIFTS & EQUINESHARED EXPERIENCES  
Sustainably-Conscious & Woman-Owned

## MARCH 2025

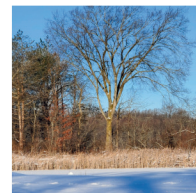

Greetings! Hope you are all well and enjoying these warmer days. Raine is starting to shed his winter coat and just this morning we saw a robin~ Spring is near.

Raine and I have been staying motivated and moving this winter despite our Ohio weather rollercoaster. We just completed the February Heart Horse Mini Challenge by Equisarte Shows (www.equisarteshows.com). I highly recommend these challenges to keep you accountable and your goals within reach. I have also been busy learning. I am currently enrolled in AFPA's certification program in Holistic Nutrition, as well as having virtually attended The 2025 Wild Horse Summit-Putting the "A" in Advocacy, The 2025 Virtual Herbalism Conference by Herbal Academy and The Holistic Horse Conference-Your Gateway to Natural Care. I really enjoyed these programs and their speakers!

The EqueSeantial Designs booth has been busy attending winter markets and tack swaps while making wonderful connections in our community and sharing our handmade sustainable products. I invite you for a fun time of shopping small businesses and meeting new people ~ the March schedule is on page 2.

2025 is going to be our best year yet. Watch for our spring newsletter later this month. Wishing you an amazing day and to being inspired to create, enjoy and live your best healthy life.

♥ Raine & Doreen

### WILD HORSE & BURRO WEEK & REVEAL

Raine and EqueSeantial Designs bring awareness... In recognition of Wild Horse & Burro Week, I would like to reveal "UnderSeaHorse" the third horse in my HorseSeaColors of Raine Collection featuring the color "purple" and our iconic wild horse. Raine also paints for awareness to inspire you to be a voice and help make a difference for wild horses and burros in

protecting their freedom and preserving their habitat. Did you know you are making a difference when you purchase Raine's unique art or attend his awareness workshops? You are! We donate a portion from each sale of Raine's Heartfelt Hoofprints Wild Horses & Burros Awareness Collection and awareness workshops to the American Wild Horse Conservation legal fund. Let's Keep Wild Horses and Burros Wild!

### NEW COLLECTION RELEASE & CONTEST

I am excited to share my newest collection ~ inspired by our amazing pets who touch our hearts revealing the best version of us we can be.

Want your fur, feathered or scaled friend to be my next featured Heart Pet? Be sure to enter my Spring drawing for a chance to win an 8"x10" pastel portrait of your Heart Pet by March 16, 2025. Contest details at [www.equeseantialwellness.com](http://www.equeseantialwellness.com)
